

Newport (Salop) Rugby Union Football Club

In the summer we hope to be starting to build the new Clubhouse extension

- > We need your support firstly for the fundraising events shown here, then you will be asked later in the year for help with the building especially if you have skills that we can use.
- > We have obtained planning permission, have full sets of drawings and structural data. A massive thanks to John Kennedy for all the effort he has put in to get us to this position.
