26th May should be the biggest fundraising event ever for the club. There will be music all day from 12.00am to 11.00 pm finishing with AG (Already Gone) an award winning group from Stoke who are playing free for the charity Greenfields Africa with whom we are sharing the proceeds. The other groups are

being recruited now with a lot of interest being shown by local musicians. There will be a stage on the first team pitch and we are hoping for three marqueees so that rain won't spoil the day. There will be food, bar, bouncy castle, stalls and overnight camping. Put the date in your diary now.
